HOLY CROSS CHURCHYARD BINSTEAD

This map was produced in 1986/87 by the Museums Documentation and Collation Unit Community Programme, sponsored by the Cultural Services Department of the IW County Council, overseen by the County Archivist Mr C Webster. Each memorial was given a number and its position recorded together with an alpha index. This map is one of four covering the whole churchyard will be used until full RSHG mapping takes place.

Please see the separate Legend Sheet for the key to symbols used on this map and the alpha index for the list of names in each plot.
