

RYDE CEMETERY OVERALL PLAN

This Map shows the general layout of Ryde Cemetery. The Gates, the Buildings, the Main Carriageway and the other paths are shown. There are three separate areas of the Cemetery, the Old Parish Cemetery, the Old Cemetery and the New Cemetery which are shown with separate borders. These areas were obtained by the Council at different times as the need for more and more space for burials was needed. Each area is subdivided into Sections which are shown. A Restoration Project funded by the Heritage Lottery Fund has been completed in 2011 and has provided a well-equipped Learning Centre in the North Chapel.
