ISLE OF WIGHT OBSERVER Saturday 20th October 1883

DEATH OF MRS. HAMILTON.- We record with regret the death of Mrs. HAMILTON, of Weston, Queen's-road. This lady was the widow of the late Capt. A. HAMILTON, of the 23rd. Light Dragoons, had resided in Ryde for very many years, and will be greatly missed. No appeal for help for the poor, or for assistance in any good object, was ever made to her in vain, but her charity was unobtrusive and sent through many channels. Mrs. HAMILTON was blessed with lengthened days, having attained to the extraordinary age 94 years.
