

George Wordley was born 10 Oct 1829 in Cavendish, Suffolk and died 19 May 1911 in Ashey Manor Lodge, Ashey.

He was Senile at the time and I think that accounts for his occupation as "Music Hall Comedian" when he was in Ryde Hospital for the 1911 Census, shortly before his death.

[ Certainly , Catherine Anne would not have been amused to hear he had said that! ]

The connection with Ashey Manor was due to Catherine Anne having been a Nurse in the family of John George Gibson, in Greenwich, London, before she married in 1883. [JGG was at the Manor for the 1911 Census]

Catherine Anne was born in Stapleton, Gloucestershire on 22 June 1851 and died in Seaview, 15 Nov 1940.
