

ISLE OF WIGHT TIMES Thursday 1st December 1932

MR. F. W. JAMES

We regret to report the death of Mr. Frederick William JAMES, which took place on Monday in his 70th year, at the residence of his brother, Mr. A. JAMES at 47 Prince Street. Deceased had endured a painful illness during the past two years. He was the son of Mr. Charles JAMES, a furniture dealer of "The Noah's Ark," High Street, and had been employed in the brewing trade, both with Messrs. SWEETMAN's Brewery in Star Street, and later with Mr. J. G. DUFFETT's Lion Brewery, High Street. Of late years Mr. JAMES entered business at Gosport in association with his son Mr. A. JAMES, but had to sever his connection with the enterprise owing to failing health. Some years ago Mr. JAMES met with a nasty accident on the Ryde Pier Tramway when both his ankles were broken.

The funeral will take place tomorrow (Friday) at the High Street Methodist Church at 2.15 p.m.
