**SERIOUS ACCIDENT TO CHARLES CAVENDISH CLIFFORD, Esq. M.P.**

We regret to announce that Mr. Charles Cavendish CLIFFORD, M.P. for Newport, who is visiting at Chatsworth, the seat of the Duke of Devonshire, was thrown from his horse at the latter end of last week, and received injuries of a very serious character. A letter from Chatsworth speaks of the hon. gentleman as being “very much cut about” and he seems to have had a narrow escape from a still more serious accident. We are glad to learn from later accounts that Mr. CLIFFORD is progressing favourably and all the constituents of the respected gentleman will, we are sure, unite with us in wishing him a speedy recovery.
