ISLE OF WIGHT TIMES Thursday 12th April 1870

THE LATE MR. AHLFELDT

.....whose decease we recorded last week, had been a teacher of languages in the Island for more than thirty years. He was a native of Hanover. Mr. **AHLFELDT** married the daughter of Mr. STARLING, an old inhabitant of Newport and has left a large family, we fear indifferently provided for. He was an agreeable chatty old gentleman, and will be greatly missed in this town and neighbourhood.
