

DEATH OF MR. J.E.CHARLO –

Mr. **James Edward CHARLO**, aged 47, who died at his home, 36 Albert-street, on Tuesday, possessed notable artistic skill. This was evident in his work, as display manager for Hill's Stores, Ltd., and previously with Pack and Culliford, Ltd., and also in the contribution he regularly made to the gaiety of the town's carnival. He was a vice-president and a former captain of Ryde Buccaneers and was closely concerned with designing and painting the Buccaneers' galleons, which have been a feature of Island carnivals. He also created the colourful covers of carnival programmes for several years and designed many carnival floats. He leaves a widow, two sons and a daughter. The Buccaneers, Carnival Committee, and his employees and colleagues were represented at the service at Holy Trinity Church yesterday. The vicar (the Rev. J.R.SHAW, A.K.C.) officiated. Interment was at the cemetery. Messrs. H.V.TAYLOR and Son made the arrangements.
