DEATH OF MR. F.A.A.KING –

We regret to announce the death of Mr. **Francis Arthur Alabone KING** at his residence Hillsboro, Corbett-road, on Wednesday. Mr. KING, who has only been ill five days, was 69 years of age. A native of Newport, he was a son of the late Mr. Edward KING, who for some years was traffic superintendent for the Port of London Authority at Tilbury Docks. Mr. KING succeeded his father in that position about 15 years ago, and came to live in Ryde some eight years since on retirement. His wife, who was a Miss SMITH and a member of a well known local family, predeceased him soon after their return to Ryde, Mr. KING had a very pleasant personality and many friends will feel deep sympathy with his daughter, who is left to mourn his passing. He was a strong advocate of Conservative principles, being a vice-president of the branch of the Conservative Association. The funeral takes place this (Saturday) morning.
