OBITUARY

We regret to record the death of Miss **Marian CALDWELL** which occurred on the 22nd inst., at her residence Anglesey House, Buckingham-road. The deceased lady who was in her 62nd year, had for some years been a resident in Ryde. She was a member of St. James' Church, and a most kind and charitable lady.

She was interred at the Cemetery on Thursday morning, the funeral service being performed by the Rev. W. H. REDKNAP, the coffin which was covered with flowers, was exceedingly handsome --the furniture, breastplate, &c. being of silver, and its shape rather uncommon.

Messrs. A. J. and W. COOMBES efficiently carried out the funeral arrangements.
