#### OBITUARY

We regret to announce the death of Mrs. **SMITH**, the wife of the Rev. James SMITH, of Sudbury Villa, George-street, Ryde, which occurred on Tuesday morning at an advanced age. The deceased lady has for many years been a resident in the town, and had always taken a very deep interest in local charities, she being one of the foremost in that respect. She will be greatly missed by the poor of the town and by a large circle of friends, all of whom will mourn their loss.
