DEATH OF AN OLD VOLUNTEER

Many old Volunteers will learn with regret of the death of Mr. **R. LIFE**, which occurred on Monday last at his residence in Park-road. Mr. LIFE was for some years an active and popular member of the Ryde detachment, in which he attained the rank of Sergeant. He has, however, been long laid aside by a lingering illness, and when last out many were pained to note the change disease had made in his once hale and robust-looking face and form. He was in the prime of life.
