OBITUARY

We deeply regret to record the death of Mr. **BEAZLEY**, who, as the manager of the Royal Needles Hotel, was widely known and universally respected. Mr. **BEAZLEY** only passed a portion of the years at Alum Bay, and generally spent the rest of his time in Ryde, so that we might claim him as a townsman on that account, did he not also belong to a good old Ryde family. We are sure all must sympathise deeply with the family in the bereavement they have sustained.
