

ISLE OF WIGHT OBSERVER Saturday 28th April 1866

A STEP IN THE RIGHT DIRECTION

Mr. **WILTSHIRE**, tailor, of High-street, having purchased the premises lately occupied by Mr. **SPEARING**, in High-street, to meet the increasing requirements of his trade, has commenced making alterations, and made a liberal offer to the Street Improvement Committee of Ryde Commissioners by giving 15 inches of pavement, which is much required in that thriving thoroughfare. The committee met and, seeing the great desirability of the offer, they at once gave the amount---£15. The matter will be proceeded with forthwith by Messrs. **NEWMAN** and **LOE**, builders, of Ryde.
