OBITUARY

Our obituary records the death on the 7th inst., of Mr. **William JEFFERD**, one of Ryde's oldest inhabitants. For no less than 58 years he had been in the employ of that well-known firm, Messrs. W. and J. WOODS, of Cross-street, a fact which reflects equal credit upon employer and employed. He stood second on the list of members of Court Astræa, A.O.F., and took a prominent part in the opening of the new Foresters' Hall. Although he had attained the age of 80, Mr. JEFFERD was quite active and vigorous and working about on high places such as roofs etc., till quite recently. He was very well-informed man, and much respected by all who knew him.
