### **DEATH OF MR. CHARLES COX**

Many of those connected with the Conservative party in Ryde, will learn with regret that Mr. **Charles COX**, formerly secretary of the Ryde Conservative Association, and of the Conservative Club, died at his residence in Pier Street, on Sunday last, after a long illness. Mr. Cox came to Ryde as an assistant at Mr. Thurlow's well known establishment, and is still remembered as a ready and intelligent debater on political subjects, at the meetings of the Conservative Association. As, by his long connection with the Association, he had acquired a great deal of local political knowledge, he was made the secretary on the retirement of Mr. Harvey. He was, however, been in failing health from some kind of consumption, for years. He leaves a widow and one child, with whom much sympathy is felt.
