DEATH OF A VETERAN FORESTER

We have to record the death on Thursday last of Mr. **Walter WHITE** who, for upwards of thirty years, was the respected secretary of the Court Astraea A.O.F., Ryde. The deceased, who had attained very advanced age, was obliged to resign the secretary ship owing to declining health and succession of fainting fits. One of these fits occurred about eighteen months ago, and caused him a very bad fall, when he rather seriously injured his head. He has not been out since. Mr. WHITE was a very energetic Forester and did a great deal to place the Ryde Court on its present sound foundation.
