THE RESIGNATION OF MR. HARVEY

Many of our resders will be interested to learn of the resignation of Mr. **Charles HARVEY**, the well-known Trinity pilot. Mr. HARVEY, who has done excellent for many years in the capacity, first entered the Trinity service as an apprentice in 1842. He was made a pilot in 1851, and has thus held office for upwards of 48 years. During 30 years of that time he has been special pilot to the North German Lloyd Steamship Company. He has made 888 voyages between Germany and America, and was well known by the passengers on the liners as well as in Germany and New York. The best wishes of all his friends will follow him in his well-earned retirement.
