DEATH OF MR. HERBERT WEBB

We regret to record the death of Mr. **Herbert WEBB** a gentleman who has resided for some years at High Park, near Ryde. Mr. WEBB has been ailing for some time, but his death was sudden and unexpected at the last.

The deceased was a great lover of art, and possessed exquisite taste in such matters. Those who witnessed the last exhibition of works of art at the Town Hall, Ryde, will not soon forget the splendid water colour paintings exhibited by Mr. WEBB, which were universally admired. They were characterised by great feeling for Nature, and exquisite finish and refinement of touch. His pictures have been exhibited at the Academy.

We regret to say the deceased gentleman, who did not long survive the death of his wife, leaves a family to lament their loss.
