OLD PILOT'S DEATH

We regret to record the death of Mr. **John James WEARN**, which occurred at his house, Borneo Villa, Simeon-street, on Tuesday. The deceased was well-known and much esteemed locally. He was born in Ryde in 1837, and for many years served as a pilot. He celebrated his 79th birthday on the 2nd last.

NB: There appears to be a discrepancy in the names of the daughters on the 2 census above, but they were actually using their middle names or first names. Hence the difference.
