VALERIE WALKER GOODGE

It is with regret that we record the death of **Valerie Walker GOODGE**, the only child of the Rev. S. P. and Mrs. GOODGE, at Aldershot on August 14th. Valerie aged three years and nine months, died in the Aldershot Hospital while an operation was being performed for the removal of tonsils. Death was caused by enlarged thymus gland which could only be discovered after death and a verdict of death by misadventure was recorded at the inquest.

Mrs. GOODGE is a daughter of the late James WALKER, R.N., and Mrs. WALKER of Ryde.
