OBITUARY

We have to record the death of an old well-known inhabitant, Mr. **James ISAACS**, which occurred on Saturday last. For many years Mr. ISAACS carried on business as a butcher in High-street, and gained general respect. On retiring from business, Mr. ISAACS took to farming, but a serious stroke of paralysis a year or two ago, laid him aside, and he never completely recovered from it. He leaves a widow and family to mourn their loss.
