

**Family Tree information kindly provided by Dermot Daly:**

Descendants of Edward Dermot Hamilton Daly who are not listed in Burke's Family Records published in 1973.

**\*\* Eldest son of General Sir Henry Dermot Daly, he was an authority on animals and birds. He bred many animal hybrids, including a zebra/donkey cross as a strong fast pack animal, which proved to be wild and intractable! He tried his hand at sheep farming in New Zealand where Sir Clive was born, but not being very successful he returned to the Isle of Wight. For many years he was a judge at Crufts.**

**\* Clive and Gerrard were identical twins and married identical twins, + Liliias and Bertha.**

*The above family tree and information was given to DPMD by Bridget Chandler September 1999.*
