DEATH OF FORMER TRADESMAN

We regret to record the sudden death of **Mr. F. A. BARTON**, of Beech Grove, Haylands, which occurred on Friday, whilst on a visit to a Manchester Board meeting. Mr. BARTON was for many years proprietor of the bakers and confectionery business of HARVEY and Co, Pier Street. He was a prominent member of Trinity Club. A few years ago his wife died suddenly in Union Street near the Arcade, from heart disease, which it is understood was the same complaint as her husband's. In his case a medical certificate was given, and no inquest was held. Much sympathy was expressed with those who mourn his loss.
