Sudden Death.- Much sympathy will be felt with Mr. William BOARD and his family, of 2 Rosemary-cottages, Ashey-road, in the sudden death on Saturday of his wife, Mrs. Nellie Maud BOARD. Mrs. BOARD, who was only 37 years of age, had been in failing health and had been sleeping in a downstairs room. On Saturday morning her husband found her in an unconscious condition, apparently dead. Dr. SIM was summoned but on his arrival life was found extinct.

The Coroner ordered a post mortem examination, which showed that the cause of death was syncope owing to the bursting of a blood vessel. The funeral took place on Wednesday.

The Husband and children of Mrs. BOARD express their sincere thanks to relatives, friends, and neighbours for kindness and for the beautiful flowers.
