SUDDEN DEATH. —On Sunday afternoon Mr. Isaac BROOKE, of Ashey-road, died with alarming suddenness. It seems that after partaking of dinner he went upstairs to lie down. At about 4 o'clock Mrs. BROOKE went up to him and finding him, as she thought, very ill, summoned assistance. Eventually Dr. MACKENZIE arrived and was of opinion that life had then been extinct some three or four hours. Mr. BROOKE, whose age was 61, is known to have suffered from heart disease.
