Pensioner Found Dead. – While delivering “meals on wheels” on Wednesday, Mrs. J. NAPIER, of Seaview, a W.R.V.S. member, called on Mr. James Percy CHAPPELL, of 37, Hill Street. She received no response to her knocking and when she looked through his ground floor bedroom window she saw him lying dead. She broke a window to reach him, and summoned the police. The facts were reported to the coroner, who ordered a post mortem examination.
