ISLE OF WIGHT OBSERVER Sat 31<sup>st</sup> January 1863

We regret to announce the death of Frederic FOWKE, esq., surgeon, of Wilton House, which occurred on Saturday last, within a few hours after that of his wife. This two-fold bereavement has plunged the family into the deepest affliction, and must call forth general sympathy.

The funeral took place on Wednesday, and was a truly melancholy scene, the last mournful rites being performed over both at the same time, and their remains deposited in the same grave.
