DEATH OF MR. SIDNEY GRIMSDICK

It is with deep sorrow that we have to chronicle the death of Mr. Sidney GRIMSDICK, of High Street, who died on Sunday after an illness extending over some months at the early age of 46. A member of an old and highly respected Ryde family, Mr. GRIMSDICK was well known in the town and very highly esteemed and respected. He started in business just over three years ago and his sterling principles and business efficiency won him the good will of all with whom he did business. He was associated with the Baptist Church and its many activities for a long period of years, and as choirmaster rendered exceedingly good service. The greatest sympathy is felt on all sides with the family in their bereavement.

The funeral takes place this (Wednesday) afternoon, the first portion of the service being held at the Baptist Church.
