Death Notice:-

GROVES .. On the 19th inst., at Ryde, Isle of Wight, Mr. **William Barton GROVES**, aged 61 years.

ISLE OF WIGHT OBSERVER Saturday 26th Feb 1870

We have this week to record the death of one of our townsmen, Mr. **W. B. GROVES**, almost in the prime of life. Mr. GROVES had, a few years since, while living at Newport, an attack of paralysis, from which he never recovered, which complaint was the cause of his death.

His strict integrity was remarkable through life, Mr. GROVES was connected with the Wesleyan society, and much respected. Although affliction was his portion, his end was peace.

The remains of deceased were interred in the Ryde cemetery on Wednesday afternoon, most of the shops in the neighbourhood being closed as a mark of respect.
