

CINDERELLA BALL.---A very pleasant cinderella dance, arranged by Lady ALEXANDER for the benefit of Mrs. HATFIELD (the widow of the late respected bandmaster of the I.W. Volunteers) was given at the Town Hall, on Monday evening. The ladies and gentlemen (amateur) of the Dilletante Band very kindly gave their services on the occasion, attired in their picturesque dresses, and performed a capital programme of music, to which dancing was kept up with a great deal of spirit. The bandstand on which they performed was prettily decorated with flowers, and the hall was likewise nicely decorated. Lady ALEXANDER, Mrs. Archibald CLARKE and Mrs. Lowther CROFTON generously supplied tables and refreshments. There was an excellent attendance, and those present had the satisfaction of a very enjoyable re-union, and in assisting Mrs. HATFIELD to the extent of about £22.
