DIED IN AMERICA, BURIED AT RYDE

The body of a former Ryde woman who died in America last Wednesday was flown to London Airport last week and on Saturday buried in the family grave at Binstead Cemetery.

She was Mrs. **Dorothy HELLER**, formerly of Milligan-road, Ryde, aged 78. Mrs. HELLER died at 1045 Maryland Hotel, Baltimore, Maryland.

She was the wife of Mr. Max William HELLER who was appointed Ryde Fire Chief in 1937. On the outbreak of war he became the Company Officer for the Ryde area for the National Fire Service. Mr. HELLER died in London in 1945, and afterwards his widow went to live with their only son, who survives her, in America.

A service conducted at Binstead Cemetery by the Rector, the Rev. Harry GILROY, preceded interment.

Messrs. H. V. TAYLOR & Son, of Ryde, made the arrangements.
