DEATH OF OLD INHABITANT.- We regret to record the death of an old inhabitant **Mrs. Kate HUNT**, widow of William Henry HUNT (a former Borough employee), which occurred after a short illness at St. John's Road, on Sunday evening, at the advanced age of 75 years.

The deceased who was well known and highly respected was, until a few years ago, care-taker and nurse at the Borough Isolation Hospital at Smallbrook, which duties she discharged to the satisfaction of all concerned for over 30 years. It will be remembered by old Ryders that the Hospital was originally in the field to the west of the present building (where the deceased first commenced her duties), resuming them again when the hospital was re-erected.
