**DEATH OF MR J. T. PERKIS**

It is with regret that we have to announce the death of Mr. **Joseph Thomas PERKIS**, the well known undertaker and upholsterer, of High-street, which occurred somewhat suddenly on Monday night, after only a week's illness, at the age of 63. The deceased was much repected in the town and was a trustee of the local Court of Foresters.

The funeral takes place on Saturday.

It is only eight weeks ago that his brother died. Much sympathy is felt with the widow in her sudden bereavement.
