ISLE OF WIGHT OBSERVER Sat 18th July 1874

**DEATH OF AN OLD "TAR."**---On Sunday evening last **Edward PETTY** died at his residence, Swanmore, at the age of 70. Deceased served his full term of years in the Royal Navy, after which he retired on the pension list. He was for some time signalman at the Royal Victoria Yacht Club House, and some years since on the occasion of their Imperial Highnesses the Emperor and Empress of the French's visit to our shores, he shattered his thumb whilst in the act of firing a Royal salute. Mr. PETTY was held in high esteem by most of the members of the club, from which source we believe he also received a small pension.
