ISLE OF WIGHT TIMES Thursday 13th September 1928

DEATH OF MRS SIBLEY. – We regret to announce the death which occurred on Sunday at Leyton House, St. Thomas's Street, of Mrs **SIBLEY**, wife of Mr. Geo. SIBLEY, a lady who will be missed by many and especially by a little circle of friends who regard her with motherly affection. The deceased was 67. During the War she organized a number of whist drives for wounded soldiers who were patients at various hospitals in the town, and many will recall the happy evenings spent at Rupert House, where the family lived for several years. Mrs SIBLEY was the only daughter of the late Chief-Engineer C. HOBBS, R.N. Much sympathy is felt for the husband, who has been unwell for some weeks, the only son and three daughters in their sad bereavement.
