

ISLE OF WIGHT OBSERVER Saturday 25th May 1889

OBITUARY. - General sympathy is felt with the family of our respected townsman, Mr. H. SPANNER, of Pier-street, in the severe domestic affliction which they have just sustained in the death of **Mrs. SPANNER**, which occurred on Thursday morning. Mrs. SPANNER was seized with a fit of an apoleptic nature on Saturday last, and never rallied. A large circle of friends and relations will receive the said intelligence with much regret.
