DEATH OF AN OLD BOWLER. - Much sympathy has been expressed amongst members of Ryde Bowling Club in the recent death of **Mr J. STRANG**, of The Grove, St. John's Park who had been a familiar figure on the Esplanade greens. He was taken suddenly ill and underwent an operation at the Hospital for peritonitis. Mr STRANG, who was a retired farmer, came to Ryde from the Eastern Counties about two years ago, and was very much liked by his friends.

The funeral took place on Thursday, when the Bowling Club was represented by Mr A.E. HOLMES J.P. and Mr E.G. WELSH, the members also sending a wreath.
