**Sudden Death.-** The death occurred suddenly on Wednesday of Mr. Harry S. John THEARLE, of Riboleau-street. Deceased was about to enter the London Hotel, where he was intending to keep an appointment, when he collapsed and passed away shortly afterwards. Although he had complained of his health during the last two years, he had not been medically attended. A retired painter, Mr. THEARLE was 65 years of age and a widower. He was very well known in the town and held in much respect. A post-mortem was held and proved that an inquest was unnecessary.
