Military Tribunal – Eugene V. Ticehurst, 42. Married, stated that he assisted his father, who was sub-postmaster at the Monkton-street Post Office. He had given up his photographing business to help his parents in their old age, and it would be a domestic hardship if he had to go; besides, he was over age.--- In reply to the Tribunal, applicant said he was 42 last September.---By Mr. Hayden: He was examined at the Drill-Hall and was told that he had passed.---The Mayor: That cost you half-a-crown (laughter).--- Applicant: Yes.---Conditional exemption was given, the military representative concurring.
