ISLE OF WIGHT COUNTY PRESS Sat 13th November 1937

**Sudden Death.**---The death took place suddenly on Monday of Mr. Albert Frederick WATTLEWORTH, tobacconist and confectioner, of 23 Cross-street. Deceased, who was 61 years of age, after talking with someone outside his shop, went into the domestic part of the premises where he lived alone. Almost immediately afterwards Mr. D. E. DUNNING, who occupies the flat over the shop, heard a thud, and found that deceased had collapsed. He rendered what assistance he could and medical aid was summoned, but Mr. WATTLEWORTH passed away from heart failure shortly after Dr. Upcott GILL's arrival. He leaves a widow and daughter, with whom deep sympathy will be felt.
