ISLE OF WIGHT OBSERVER Saturday 4<sup>th</sup> August 1894

Our obituary includes the name of Miss Harriet WAVELL, the eldest daughter of our late well-known townsman, Mr John WAVELL. The deceased lady had been residing for some time at Fuschsia cottage, Star Street, and had only changed her residence a few weeks ago. Miss WAVELL had been in delicate health, but her death was sudden and unexpected. She was out walking last Friday, and some form of heart disease was, we understand, the cause of death on the following day. Miss WAVELL was a most devoted companion and nurse to her parents during their long illnesses, and acted as a mother to the rest of her family, by whom she was much loved.
