

Isle of Wight Observer Oct 10th 1863:

ADVANTAGES OF A TOWN CRIER - On Tuesday evening Mrs. YOUNG, of Appley Towers, lost a valuable bracelet in or near Union-street. Our friend BUCKETT's services were called into requisition, and on Wednesday he cried so energetically that in two hours the bracelet was produced, proving that he is a most valuable functionary. He is, we understand, about to open "a lost and found office."
