

SYMMETRY

There are examples of symmetry on buildings and graves within the Cemetery for children to discover and sketch.

Two very obvious examples are shown below . . .

Windows on the East face of the Chapel

Arches on the tomb of Henry Wyatt

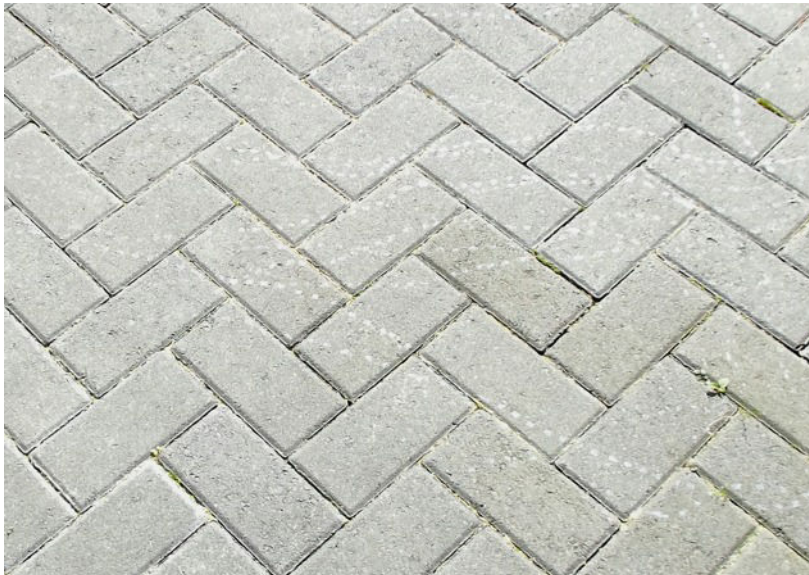

TESSELLATION

There are examples of tessellation on buildings and graves within the Cemetery for children to discover and sketch.

The Learning Centre windows and floor are good examples and the path by the Toilet is another.

Chapel floor

Path outside the toilet
