

Ryde Cemetery Plan

PRIMARY SCHOOL STUDIES IN RYDE CEMETERY

Calling all Teachers

Have you been into the Heritage Learning Centre in Ryde Cemetery? Why not hold a Staff Meeting, a Twilight or Inset Session there?

Have you considered a Guided Tour of the Cemetery to see what it has to offer? View the Learning Resources available in the Centre and see examples of work done by children during and after workshops and activity sessions at the Cemetery.

RE - PHSE - Citizenship - Global Awareness Environmental Studies

The Cemetery is an example of religion in our locality. It also offers opportunities :

- * to discuss attitudes to and celebration of death
- * to understand symbolism
- * to promote awareness of and respect for other people's beliefs
- * to develop understanding of looking after the environment conservation, sustainability etc:

Heritage Learning Centre

Ryde Cemetery is owned and maintained by the Isle of Wight Council, Bereavement Services Department 01983 883010

BOOKING

Sexton: Don Trafford on 01983 568546 Weekdays 10.00 hrs to 16.00 hrs

INFORMATION COMMUNICATION TECHNOLOGY

ICT is incorporated in all areas of study. The Heritage Learning Centre has a fully equipped Computer Suite with Internet access, also DVD, a projector and screen. In follow up sessions back at school children can produce text and graphic work, including Powerpoint presentations, do further Internet research and work on Databases etc.

PHYSICAL EDUCATION

PE links have already been mentioned under the Geography section as the children are undertaking fieldwork investigation, following directions, using maps, planning routes which incorporates outdoor and adventurous activities and orienteering skills within the PE curriculum. (National Curriculum P.E. Programme of Study KS2:11)

For nearby schools within walking distance of the site the walk to and from the Cemetery is an extra physical activity!
