

ISLE OF WIGHT COUNTY PRESS Saturday 15<sup>th</sup> November 1941

**The Late Miss M. E. FISHER.** – The funeral took place on Friday week of Miss Marie Elizabeth FISHER, whose death took place on the previous Wednesday at Brookham, Swanmore-road. Miss FISHER, who was 84 years of age, came to the Island with her surviving sister 50 years ago. Accompanying her were boarders for the school which she established at Binstead and afterwards in the borough. During a long connection with the Garfield-road Methodist Church she gave much devoted service, and though in later years failing sight curtailed her activities it did not diminish her interest.

The Rev. H. MACROW conducted the first part of the funeral service in the house and the interment was at the Cemetery.
