SUDDEN DEATH OF AN OLD INHABITANT

We regret to record that on Wednesday morning Mr. **John JEFFERY**, of High-street, died very suddenly. During the night he was taken ill and complained to his wife of a pain at his chest, and early she went for Dr. BEATON. On her return, she found her husband dead on the floor of his room, having apparently fallen from a chair in which he had been sitting. Drs. LOWDER and BEATON were soon in attendance, but the vital spark had fled.
