A Sad Bereavement. – Sincere sympathy has been extended to Mr. and Mrs. C. C. PIGGOT, of Marlborough-road, in the death on Christmas-eve at Havant War Memorial Hospital, of their youngest daughter, Mrs. Edna BEDDOES, of Rowlands Castle. Only 27 years of age, she was taken ill on Thursday week. Previous to her marriage to Mr. James BEDDOES she was employed at Mr. C. D. MUCKLOW's library in Cross-street. The event is all the more poignant in that she leaves two little children of tender years. An inquest is being held, and the remains will be brought to Ryde for burial.
