SUDDEN DEATH OF BAKER'S ROUNDSMAN

Mr. Maurice Henry Roberts BUTT, aged 54, of 42 Mitchells Road, Haylands, a baker's roundsman, employed by Harry JOLLIFFE, Ltd., Victoria Bakery, Upton Road, was delivering bread on Saturday in Havenstreet. He called at one house and was asked to leave the bread on the kitchen table. The owner thought he was a long time and on going to investigate he found that Mr. BUTT had collapsed on the floor and died. Mr. BUTT had been employed by Mr. JOLLIFFE for 22 years.

The facts were reported to the Coroner (Mr. J. V. Bullin). A post mortem revealed that death was due to natural causes.
