

ISLE OF WIGHT OBSERVER Saturday 24 January 1885

SERIOUS ASSAULT.---On Wednesday evening week Mr. BRADDY, landlord of the Eagle Brewery Tavern, High-street, had an altercation with a man named Samuel MOUL, who appears to have then waited outside. When Mr. BRADDY went outside MOUL is said to have set upon him and inflicted most serious injuries. At all events, Mr. BRADDY has been obliged to keep to his bed ever since, and is in a very critical condition.
